Note: Soviet recognition of a Chinese Communist state would be contrary to the terms of the Sino-Soviet treaty and to the policy thus far followed by the Soviet Union.)

25X1A

25X1X [REDACTED] Note: There are no reports that the Communists want Peiping or Tientsin.)

25X1X

3. Although the current policy of the Generalissimo will not be known in Shanghai until the delegates return from the National Assembly, there is widespread speculation that the Government will give up Manchuria and North China, and only attempt to hold the territory south of the Yangtze River.
